

Scripps College Academy Scholars 2018

APPLICATION & INFORMATION

Scripps College, ranked one of the best colleges in America, is pleased to offer an enriching educational opportunity for young women through the Scripps College Academy (SCA) Scholars program.

SCA Scholars

SCA Scholars is a multi-year, intensive pre-college program for female students from the greater Los Angeles area and the Inland Empire. Through mentorship from Scripps College faculty and staff, participants develop the confidence and skills to be well-prepared college applicants, successful college students, and professionals who create positive, lasting change.

Summer Program

Students admitted to the SCA Scholars program begin by attending the two-week Summer Program which provides the opportunity to experience what it is like to live and study at a private, liberal arts college.

Students enhance their studies by exploring issues of race, class and gender through a variety of academic subjects. Participants develop their writing, critical analysis, discussion and presentation skills under the mentorship of Scripps College professors. The academic program is designed to challenge the ways students think about their world and encourage them to become leaders and college-bound scholars. In addition to the academic program, participants attend fun and informative workshops, fieldtrips, and recreational athletic or art activities.

*The 2018 Summer Program will be held **Sunday, June 10–Saturday, June 23, 2018**. Students are required to live on campus for the full duration of the summer program.*

Year-Round Activities

Following the Summer Program, SCA Scholars receive academic resources and mentorship throughout high school. Students attend weekend events on the Scripps College campus including book clubs, science research opportunities, SAT preparation classes, workshops and fieldtrips. As seniors, SCA Scholars receive personalized assistance in the college application process. Transportation assistance is provided from select locations in the greater Los Angeles area. See page 4 of the application for more information.

Cost

There is no cost for participation in the Scripps College Academy; Scripps College and program sponsors cover all expenses.

Eligibility

Young women who are currently tenth grade and live in the greater Los Angeles and Inland Empire area are invited to apply. The SCA Scholars program seeks to serve students who demonstrate high levels of academic achievement and motivation, but may lack the resources in their home, school, or community to fully prepare for admission to top colleges and universities.

Students are **eligible** to be considered for the SCA Scholars program if they meet **ONE** or more of the following criteria:

- Qualify for free or reduced price lunch, or otherwise demonstrate financial need
- Will be the first generation in their family to attend college
- Attend a Title 1 school

See page 1 of the application for more information.

Selection Criteria

Applicants should be highly-motivated students seeking a challenging and fun academic experience. Evaluation of applicants is based on:

- Academic performance: While there is no minimum GPA requirement, the selection committee seeks students with grades of A and/or B in core subjects
- Essays: Applicants must demonstrate strong writing and critical thinking skills
- Recommendation(s)
- Extracurricular activities and community engagement
- Demonstrated commitment to completing the multi-year SCA Scholars program as outlined in the application

Application Checklist

Include the following items with your submission:

- Completed Student Application Form** (Pages 1-4)
- Official High School Transcript** (See page 1)
 - Must include all grades and classes from high school, including fall 2016.
- Essays** (See page 3)
- Recommendation(s)** (Pages 5-6)
 - The Academic Recommendation is required and must be completed by a high school teacher. The Personal Recommendation is optional.

Application Deadline

Applications for the 2018 SCA Scholars cohort must be **postmarked** no later than **Saturday, March 10, 2018**. Mail all forms, in one envelope, directly to the address noted below. Please keep a copy of all documents for your records. SCA will confirm receipt of applications via email. Late or incomplete applications will not be considered.

Required Essays

Essay Prompt (Required): Please respond to the following question on a separate sheet. Responses should be typed, 500-700 words and 12-pt. font size.

The Scripps College Academy seeks applicants with a range of interests and experiences. Given your personal background, describe the qualities and accomplishments you would bring to the program.

Short Answer (Required): Please respond to the following question on a separate sheet. Responses should be typed, no more than 250 words and 12-pt. font size.

The Scripps College Academy is a unique and rigorous program. After reading the program description and expectations please explain why you would like to attend this program and how you would benefit from it.

Optional: Is there anything you would like us to know about you or your academic background that you have not had the opportunity to describe elsewhere in the application? If so, please describe on a separate sheet.

Program Expectations

The Scripps College Academy is committed to helping students achieve their academic goals. In order to best serve our students we have developed a challenging and interactive program that requires full participation and commitment from all participants. Please read the program description carefully and understand that all SCA Scholars are expected to follow through with all components of the program.

Summer Program

If admitted to the SCA Scholars Program, I (student) understand that I will attend the two-week residential program and live on the Scripps College campus from June 10 – June 23, 2018. I understand that students are required to live on campus for the full duration of the program. Further, I understand that it is my responsibility to make arrangements with my school in anticipation of any absences that may result from my participation.

Year-Round Activities

If admitted to the SCA Scholars Program, I (student) commit to actively participating in the SCA Scholars Program year-round throughout high school and college. Example activities and events include book clubs, science research opportunities, fieldtrips to museums and college fairs, writing workshops, and special events on the Scripps College campus. Grade-specific requirements for each year of participation in the program are stated below, including college. I understand that most of these events will occur on weekends (High School only). Transportation assistance is provided from select locations in the LA area.

11th Grade

- Required participation in two (2) **Extracurricular Events** between **August and June** of junior year.
- Required participation in an **SAT/ACT** prep course. Students can register for SCA's free ACT course or present proof of enrollment in a comparable course offered by student's school or community organization.

12th Grade

- Participation in **Extracurricular Events** is strongly encouraged, but not required.
- Required participation in **Senior College Application Workshop Series** which take place once a month during the fall semester of senior year.
- Required participation in **Financial Aid Workshop Series** which includes one workshop during the fall semester and one during early spring semester of senior year.
- Participation in **Senior Celebration Ceremony** held in the month of May.

Post High School Activities (College)

Once in college, students will continue to receive support and mentorship from the SCA Scholars Program. Students will commit to participation in SCA programming during the duration of their time in college, regardless of college or university attended. Example activities and events will include:

- Required participation in yearly Summer Summit in August. (Exact dates will be communicated in advance)
- Required participation in STRIVE Team which will include: one phone call per semester with an SCA staff member. The purpose of these phone calls is to make sure students are doing well while at college.
- Participate with in person meetings with STRIVE Team members at the student's college. The purpose of these meetings is to check in with each other, build community and to foster another source of support with other SCA Scholars.
- Keep SCA updated on current contact info so students can continue receiving support from SCA through phone calls, emails, and care packages.

Signatures

We (student and parent/guardian) have thoroughly read the program description and expectations, and are committed to fulfilling all requirements and expectations if admitted to the SCA Scholars program.

I declare that the information I have submitted on this application is true to the best of my knowledge. I also understand that all material presented in support of this application will be treated as confidential information by Scripps College.
