

Scripps College Academy Scholars 2020

APPLICATION & INFORMATION

Scripps College, ranked one of the best colleges in America, is pleased to offer an enriching educational opportunity for young women through the Scripps College Academy (SCA) Scholars program.

SCA Scholars

SCA Scholars is a multi-year, intensive pre-college program for female students from the greater Los Angeles area and the Inland Empire. Through mentorship from Scripps College faculty and staff, participants develop the confidence and skills to be well-prepared college applicants, successful college students, and professionals who create positive, lasting change.

Summer Program

Students admitted to the SCA Scholars program begin by attending the two-week Summer Program which provides the opportunity to experience what it is like to live and study at a private, liberal arts college.

Students enhance their studies by exploring issues of race, class and gender through a variety of academic subjects. Participants develop their writing, critical analysis, discussion and presentation skills under the mentorship of Scripps College professors. The academic program is designed to challenge the ways students think about their world and encourage them to become leaders and college-bound scholars. In addition to the academic program, participants attend fun and informative workshops, fieldtrips, and recreational athletic or art activities.

The 2020 Summer Program will be held Sunday, June 14–Saturday, June 27, 2020. Students are required to live on campus for the full duration of the summer program.

Year-Round Activities

Following the Summer Program, SCA Scholars receive academic resources and mentorship throughout high school. Students attend weekend events on the Scripps College campus including book clubs, science research opportunities, SAT preparation classes, workshops and fieldtrips. As seniors, SCA Scholars receive personalized assistance in the college application process. Transportation assistance is provided from select locations in the greater Los Angeles area. See page 4 of the application for more information.

Cost

There is no cost for participation in the Scripps College Academy; Scripps College and program sponsors cover all expenses.
