Topics to be Covered as Required by Commission in Letter Dated March 7, 2014
1. Sustainability of the assessment process for curricular and co-curricular programs
2. Status of diversity initiatives cited in strategic plan

Findings of the Committee (Interim Report):

Commendations
The panel commended Scripps for:
- Providing a well-written, well-organized report that satisfactorily responded to the issues identified for the Interim Report
- Rigorously assessing core competencies for undergraduate education
- Using comprehensive rubrics to assess student learning
- Assessing the co-curricular/student services domain as carefully as assessing the academic domain
- Instituting a multi-prong approach to enhance diversity, equity and inclusion

Recommendations
The panel recommended that Scripps in its next institutional report for reaffirmation:
- Demonstrate how the results of assessment and program review inform resource allocation
- Assess the effectiveness and document the impact of the initiatives described in the strategic plan to strengthen diversity, equity and inclusion
- Provide year-over-year changes in the demographic profiles of students, faculty and staff since the last reaffirmation
- Explore ways of measuring changes in campus culture as a result of efforts to enhance diversity, equity and inclusion
