An Introduction to the Laspa Center for Leadership
Introducing the Laspa Center

• Team structure and location
• Redefining leadership for a global, inclusive environment
• Leadership as a form of influence, not position
• Inclusivity | Creativity | Integrity | Service
Rooted in the core principles of **leadership, creativity, integrity, and service**, the Laspa Center for Leadership advances **gender equity** through distinctive programming, enhanced networks, and experiential learning designed to expand the **global influence, power, and impact** of Scripps College graduates and future leaders.
