

## **2022-2023 K-12 Tuition Expense Verification Instructions**

On the CSS Profile Form, you indicated that your parents have out-of-pocket K-12 tuition expenses for your sibling(s). To be able to consider these out-of-pocket K-12 tuition expenses as part of your financial aid application, you will need to provide additional information and documentation.

Examples of documentation include, but are not limited to:

- Copy of itemized billing statement from the most current academic year that shows out-of-pocket payments; or,
- Copy of the most recent financial aid offer letter that includes a cost of attendance and any awards received.

The Financial Aid Office will review all documentation provided and consider this information when determining financial aid eligibility.
