

## 2017-2018 FINAL EXAMINATION SCHEDULE

The five undergraduate Claremont Colleges share a final exam schedule. **Examination times for “arranged” classes, as well as for classes which meet at times different from the Standard Class Times must be scheduled by mutual agreement of the instructor and the students.** Classroom space must also be specially arranged.

Final examinations will be in the same rooms assigned for regular class work unless other arrangements are made with the Registrar's Office. In the event that another room is used, the instructor will announce the change.

To be counted as work completed in the course, all papers, reports, drawings, and other assigned material must be submitted to instructors before the scheduled date of the final examination, unless an earlier deadline is given.

TO READ THIS SCHEDULE: If the class meets TR 9:35 during the fall semester, the final exam will be held on Thursday, December 14, at 2:00 p.m.

**Graduating Seniors: Spring Final Exams must be taken during last week of regularly scheduled classes.
