

Laspa Center for Leadership at Scripps College

Leadership in Service Award

The Laspa Center for Leadership distributes grant funding annually to support opportunities that demonstrate leadership in action. All eligible opportunities must clearly align with the mission of the Laspa Center for Leadership and distinguish themselves according to the Center's core values of leadership, creativity, integrity, and service. These grants are fundamentally intended to promote leadership development through experiential learning.

With a focus on civic and community engagement, the Leadership in Service Award supplements volunteer opportunities or self-designed projects during the academic year that focus on community impact. Priority funding will be given to those opportunities in Los Angeles and San Bernardino Counties. (Reminder: A project involving work with human participants or research involving animals will require [IRB](#) or [IACUC](#) approval.

Your application must be received one month prior to the end of the semester. You will receive an automatic confirmation upon submission. All applicants will be notified of the status of their applications within 10 business days. Questions can be directed to laspa@scrippscollege.edu.

Project Information

Provide a detailed description of your project including a timetable (start to finish). Be sure to address how this work will impact the community and in what ways it aligns with the mission of the Laspa Center. *

The Laspa Center is currently concentrating on six leadership competencies for a focus on inclusive, global leadership in the 21st century: Mindfulness, Strategic Thinking, Empathy, Organizational Dynamics, Social Skills, and Effective Management. In what ways does this opportunity address one or more of these competencies? *

Please upload an Excel spreadsheet with the detailed BUDGET for your request. *

Does your project include human participants such that it would require IRB approval?

Yes

No

Unsure

For more information on IRB approval, visit the following link: <http://www.scrippscollege.edu/academics/irb>. You can submit this application without IRB approval, however, you will not receive funds until the project has received IRB approval. If you are unsure whether your project requires IRB approval, we can help you navigate this.

Does your project include animal participants such that it would require IACUC approval?

Yes

No

Unsure

For more information on IACUC approval, contact Keck Science Center and reference the "Animal Usage Request" form on the Keck Science website. You can submit this application without IACUC approval, however, you will not receive funds until the project has received IACUC approval. If you are unsure whether your project requires IACUC approval, we can help you navigate this.

Acknowledgment

Please sign below to indicate that the information you have provided is true and accurate to the best of your knowledge.

Fine print: Service Leadership Award recipients will receive full funding (up to \$500) upon application approval. Recipients will be asked to share a photo, write a one to two page project summary, and submit an abbreviated blog post. Failure to submit materials may eliminate your eligibility from future funding. All currently enrolled students who have completed at least one full semester are eligible to apply.
