

THE SCRIPPS ACCESS INITIATIVE

ELIMINATING FINANCIAL BARRIERS TO THE SCRIPPS ADVANTAGE

At Scripps, access doesn't stop at enrollment—it's a lifelong continuum. The Scripps Access Initiative is the College's answer to ensure that all high-achieving students, regardless of income, flourish on campus and graduate to lead generational change.

WHY GIVE NOW?

By giving to the Scripps Access Initiative, you'll help the College expand **low- and no-loan aid packages and four-year scholarships** that cover **tuition, housing, and food**. Gifts can also strengthen programs devoted to inclusive student success, such as the **Scripps College Academy, First-Generation @ Scripps**, and the **Summer Science Immersion Program**.

"I know firsthand how necessary scholarships are...the fact that people want to give back and care about making Scripps a more inclusive, accessible space speaks to the core values of our College."
